

# Lawton City Council Minutes

**January 19, 2006**

The Lawton City Council met in Special session on Thursday, January 19, 2006, at Lawton City Hall. Meeting was called to order by Mayor Jeff Nitzschke at 1:45 p.m. Councilmen present were Tony Bengford, Terry Masching and Don Grigg. Perry Ludwig and Rick Schorg were absent. Also attending were City Attorney Glenn Metcalf, Neal Kuehl and Earl Zimmerman from Kuehl & Payer Engineering, Lowell Anderson as City Water/Wastewater Superintendent, and Jerry Steffen with Steffen Engineering.

Prior to this meeting, the Mayor and Councilmen had toured the Water Filtration Plant building site to review and discuss the south wall alignment problem. The contractor had corrected this problem earlier in the day. Several other questions were asked regarding the construction.

The Mayor asked the councilmen present if they were satisfied with the construction as it stands at this time. All agreed they were and that construction should proceed.

A question regarding the Change Order that had been presented at the January Council meeting was discussed. Kuehl said he would have a revision of that order ready for the February meeting.

With no further business to come before the meeting, the meeting was adjourned at 2:00 p.m.
