

Lawton Pre-Construction Meeting Minutes

April 3, 2008

A pre-construction meeting was held Thursday, April 3, 2008, at City Hall in Lawton, Iowa for the purpose of updating all parties relevant to the 2008 Paving Improvements Project. City employees present were: Mayor Jeff Nitzschke; Council members Don Grigg, Tony Bengford and Rick Schorg; Public Works Director Lowell Anderson; and City Clerk Patricia Washburn. Others attending were Jerry Steffen and Scott Gernhart from Steffen Engineering, Ron Washburn from WITA, Scott and Rick Bohle from Bohle Construction, Judy Weatherly from MidAmerican Energy, Steve King as West Creek developer, and Mark Wiener from Steve Harris Construction.

Box culverts for West Creek Development are expected to be completed and set in place by 3rd week in April. Storm sewer work will likely begin on E. Birch Street in early May. Tara Way reconstruction is scheduled from June 1 through August 1. Prior to construction on Ash Street a privacy fence, light pole and telephone box will have to be moved.

City will retain 5% of cost of project until completion.

Notices will be sent to affected homeowners informing them of upcoming work.

With no further business to come before the meeting, meeting was closed.
