

# City of Lawton

May 2007

www.lawtoniowa.com

Water meter readings are generally taken around the 20th day of each month.  
 Invoices for water, sewer, garbage and landfill are sent on the 1st of each month.  
 These invoices are delinquent if not paid by the 20th of that same month.  
 A 10% Late Fee will be assessed on all delinquent accounts.

## ESTIMATED READINGS

Most of your water meter readings will be estimated this month and next. The July invoice will be with "actual" readings again, and will bring you up-to-date for the quarter. Please call City Hall if you are concerned with the estimate you have been given. You are welcome to pay extra if you know you've used more water than usual. Several residents already take advantage of this option.

Remember to register for the City-Wide Rummage sale scheduled for June 16, 2007. If you have questions, call Heather at 944-5153 or email: lawtongaragesale@yahoo.com

## STREET REPAIRS

The 400 block of Maple Street and the portion of Tara Way pictured below will be removed and replaced sometime this summer.

It appears we are looking at work beginning around July 1st. Letters will be sent to all affected residents prior to the start of the project regarding temporary mail service, garbage service and recycle service.

**FOUND IN  
 VETERANS' MEMORIAL PARK:  
 Blue Baby Blanket. Identify at City Hall**

## PET LICENSES

ALL dogs and cats are required to be licensed through the city. Cost is \$5 for spayed or neutered animals and \$10 for non-spayed or non-neutered animals. Proof of current rabies vaccination must

be presented prior to tags being issued. Current tags will expire June 30, 2007.

 May 4, 12:45-2:30 pm  
 Bookmobile in Lawton

May 28  
 City Offices Closed in observance of Memorial Day

**2007  
 pet tags are here**

## IOWA ONE CALL

Before doing any digging or disturbing of the ground, remember to call Iowa One Call at 1-800-292-8989.

This is a necessary call even if you are simply planting trees or bushes. Iowa One Call will notify all area utility companies of the impending dig. Within 48 hours all utilities will come to your property and "locate" their underground lines.

If you dig before calling Iowa One Call and you happen to hit an underground line, it will be your responsibility to pay for the repairs.
