**PRESS RELEASE: Town Hall Meeting April 17**

On behalf of the Woodbury County Board of Supervisors and the Lawton City Council, Board Chairman Matthew Ung and Mayor Jesse Pedersen **invite our rural residents to a town hall meeting at Lawton City Hall, April 17 at 4:30 p.m.** In addition to updates from city and county departments, information will be provided concerning upcoming public hearings, solar energy zoning, and planning for retirements and rehiring within several county departments. Supervisors and council members will also host panel discussions on timely topics such as the county's ordinance for (and corporate activities related to) wind energy, adapting local budgets to the new property tax law, and public safety.

Remembering that citizen involvement is vital for good government, we look forward to the public's participation, and thank the media for distributing this news. An agenda is available, and refreshments will be provided.
