After another great year in the Lawton community, I would like to extend a heartfelt thank you! Thank you for continuing to make Lawton the best town around! It's an honor to serve and a privilege to call this home. While we reflect on the accomplishments of 2025, we are also anxiously awaiting 2026! Here at city hall, we welcome two new councilmen to the team, Gary Byers and Nate Niehus. We also have to extend our gratefulness to our outgoing members, Nick Roth and Pat Saunders. Your leadership and dedication will be remembered and we wish you well as you support from the other side of the table! Congratulations to Pat on 10 years of service! From the Lawton City Council, City Staff, and myself and my family, we wish you the Merriest of Christmases and the Happiest New Year!

Mayor Jesse Pedersen
