2023 has been another successful year for the City of Lawton! I am so grateful and proud to be part of such a great community! Thank you to each and every one of the community members who have done their part to be a positive force in our community. There are WAY TOO MANY to count! To quote Helen Keller, "Alone we can do so little; together we can do so much."

From the City Council, City Staff, and myself, we wish you the Merriest of Christmas and Happiest New Year!

Mayor Jesse Pedersen
