www.lbfamilygroup.com as it gets closer

Coffee with the Mayor!

Come join Mayor Jesse Pedersen for coffee and cookies at the Friendship Center Wednesday, August 17th from 5pm to 6pm to discuss what's happening around Lawton.

This will be a come and go event for the Mayor to have the opportunity to meet informally with anyone in the community that has a question, comment, or concern regarding the city. Mayor Pedersen is looking forward to seeing you there!

Safety First!

→ Keep dogs leashed in all public areas and prevent your dog from running into the street.

→ Bikes and scooters can be great exercise for kids, but to prevent accidents, educate your kids on general traffic guidelines. Utilize the walking trail and sidewalks instead of the street but watch out for pedestrians!

→ As school comes, an increase in teen driving, increases the likeliness of speeding and minor traffic offenses. Have a conversation with your teen about the important of following the traffic rules in town. The Woodbury County Sheriff's Department will be on the lookout!

→ Lock your vehicles if left outside and lock your doors!

→ Never give out your bank or personal information over the phone. Scammers are relentless and will do anything they can to get your information! Don't let it happen to you!

→ Call 811 before you dig. If you have any remaining projects this summer, make sure you call 811 before you dig! Also check to make sure if you need a building permit from the city. Permanent structures, decks, fences, concrete work, or anything that "increases the value of the property" HAS to HAVE a building permit.

Happy First Day of School.

Good luck to all the teachers, school staff, and students going back to school! We hope you have a GREAT school year!
