There were so many AWESOME displays this year! Congratulations to everyone in town for your wonderful Christmas spirit!

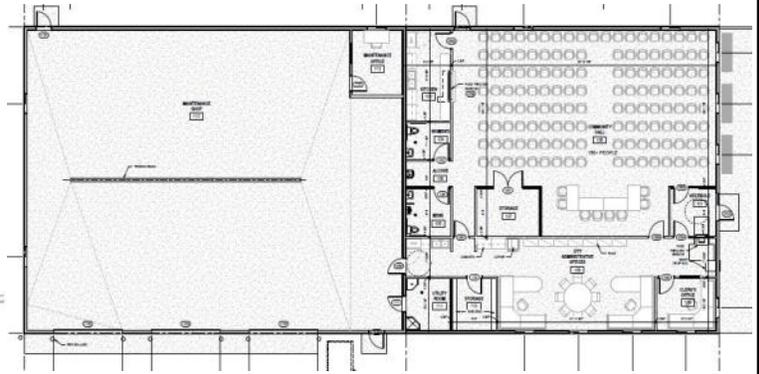

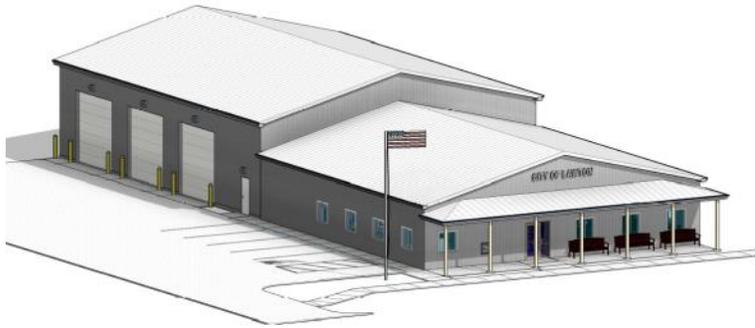

Welcome change,
embrace adventure,
and make this new year
one you'll never forget.

HAPPY NEW YEAR!

Check out the NEW CITY FACILITY COMING IN 2022!

After many, many years and multiple attempts, the Lawton city council, mayor, and city employees are so excited to construct a new Community Center and City Facilities Building in 2022! The approx. 8,500 sq ft building will house city hall, city maintenance shop, and an amazing 150+ capacity community center! The building will be constructed on Ash St by the city's water treatment plant. Check out the plans below!

"We are so excited and proud to be able to bring this amenity to our amazing citizens and town. This has been part of city discussions since 2002 and we have worked really hard to design a facility that will work for our citizens today and for the future of Lawton." -Mayor Jesse Pedersen

Did you receive **multiple of the same item** for Christmas? Do you have leftover **giftbags** that are still in good condition? The LB FAMILY Group would love to take these items off your hands! The group is collecting giftbags and toys for a future FAMILY Group event. Donations can be dropped off at city hall. For questions, please email lbfamilygroup@gmail.com

Thank you for your continued support!

Looking for somewhere to donate your cans? Look no further than right here in Lawton! The LB FAMILY Group has a can cage that is located at the City's Maintenance Building, all proceeds go to help with activities put on for the community. Thank you to all that have donated their cans and bottles!

Please note: Cans and bottles need to be clean, empty, and eligible for IA refund. No glass bottles, water bottles, or Gatorade bottles. And please bag your cans when placing them in the cage.

Thank you for supporting your community!

Coffee with the Mayor!

Come join Mayor Jesse Pedersen for coffee and cookies at the Friendship Center Wednesday, January 26 from 5pm to 6pm to discuss what's happening around Lawton. This will be a come and go event for the Mayor to have the opportunity to meet informally with anyone in the community that has a question, comment, or concern regarding the city. Mayor Pedersen is looking forward to seeing you there!

You Can't See It, You Can't Smell It, You Can't

Taste It, But It May Be In Your Home. Radon is the second leading cause of lung cancer in the US. The only way to know if radon is in your home is to test for it. You can get your kit from Siouxland District Health, call 712-279-6119 today!

Declutter in the New Year and Go paperless!

Did you know you could get your water bills emailed to you instead of in the mail? And you can setup auto-pay so you don't have to worry about being late with your payment! Contact city hall for more details!
