Only residents are allowed to bring branches 20" diameter or less to the city tree disposal site.** The full ordinance code is available at city hall.

Just a few things to remember...

-Current **pet tags expire** at the end of June. City code requires all dogs & cats over 3 months of age be registered with the city. Spayed or neutered pets are \$5 each, intact pets are \$10. Proof of current rabies vaccination is needed at the time of registration. Please note: if you are feeding stray cats you are claiming ownership of the animal, and will be responsible to register them through the city.

-**Golf carts and ATVs** must be operated by individuals who possesses a valid drivers license and only between sunrise and sunset. Golf carts and ATVs are NOT allowed on the walking trail.

-**Building permits** are required when any building, structure, retaining, wall, or fence is erected, constructed, enlarged, or improved. Structures includes but is not limited to homes, sheds, garages, pools, and decks. Permits can be found at city hall.

-**Trailers, campers, trucks, and dumpsters** are not allowed to be left on the city street except to load or unload for a reasonable amount of time, not to exceed 36 hours.

-**Grass and Weeds** shall be cut or destroyed that have grown to a height of 12 inches, and in any event, by the 15th day of each month from May to October. Failure to comply will result in the city ordering the work done and the cost billed to the landowner.

-**Recyclables** need to be in CLEAR or see-through bags and set at the curb. Please do not include pizza boxes, glass, grass clippings, clothing, or styrofoam. If they see any of these items they CANNOT TAKE YOUR CAN!

-Please **do not discard items down your toilets**. Items like diapers, feminine hygiene products, grease, contraceptive products, flushable wipes, clothing, and paper towels, DO NOT BELONG in the sewer systems! Flushing these items causes major problems and hinders the city systems from running properly.
